Investment Categories are determined by total sales for contractors. Total volume includes subcontract work, material, and labor figured on most recently completed fiscal year.

All dues are non-refundable.

Contractor (Investment Categories 4-14) members are active in the construction field; prime and subcontractors in all types of construction. Investments are based on a member's preceding year's volume. **DUES DO NOT INCLUDE COSTS FOR APPRENTICESHIP TRAINING, CRAFT TRAINING, OR HEALTH BENEFITS.**

Supplier (Investment Category 2) members supply material to contractors, shops, or job sites, but provide no on-site labor.

Associate (Investment Category 1) members provide service to the construction industry, but no material or labor. (i.e. architects, attorneys, insurance companies, banks, etc.)

☐ **Local PAC Contribution \$_____ (10% of Dues Amount)** - The voluntary PAC contribution helps support the causes and candidates that uphold the fair and open philosophy.

☐ **FEA Contribution \$100** - The voluntary Free Enterprise Alliance contribution goes to the Free Enterprise Alliance at the National level in advocating for the voice of small business and fair competition in the construction industry.

Additional Notes:

- Payment is applied to the first full year of dues. A pro-rated amount will be invoiced for the second year.
- Dues are not deductible as a charitable contribution, but may be partially deductible as a business expense. ABCSD estimates that for 2020, 81% of dues are deductible because they are not related to lobbying activities on behalf of its members. Please contact a professional accountant to determine what is allowable as a business expense. Membership in ABCSD also includes membership in ABC of California and the ABC National organization.
